Plan your Vacation

From the centrally located Baker Creek Bungalows you may plan your vacation sight-seeing something like this:

MONDAY

A trip to beautiful Lake Louise, mile-high playground of the Canadian Rockies. As Lake Louise is only ten miles from camp you may have your breakfast in comfort and still be in plenty of time to take your share of souvenir pictures of the most photographed scene in the world while the morning sun is on the lake and Victoria Glacier in the background. Perhaps you will then spend the day boating, picnicking, riding and mountain climbing in one of the most scenic spots you will ever see.

TUESDAY

Moraine Lake in the Valley of the Ten Peaks is only 16 miles away and offers some of the most superb scenery in the Rockies. The family photographer will want all kinds of color shots of the magnificent glacier-clad Ten Peaks rising from the emerald green of Moraine Lake floating at their feet. It is only a three mile hike from Moraine to lovely, secluded Consolation Lake where the fishing enthusiasts of the family will have a wonderful day bringing in the fighting Rainbow trout that abound in its waters. And everyone will dig in with a will when you take them out of the pan that evening for supper!

WEDNESDAY

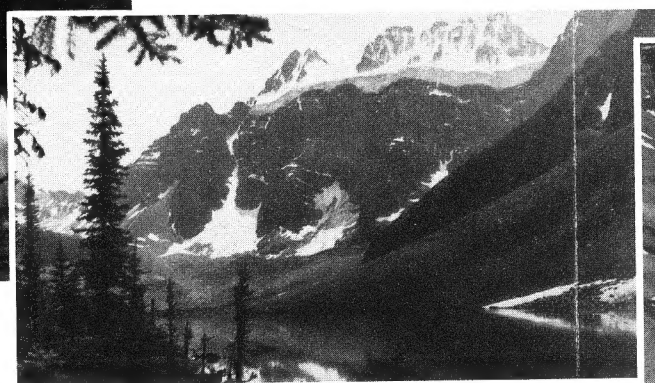

The scenic 75-mile drive from Baker Creek Bungalows to the Columbia Icefields is an experience you must not miss. To arrive at just about noon allows the most perfect timing for photographing the icefields. A hike or a snowmobile ride up onto the glacier in the bright sun will be a thrill the family will never forget.

THURSDAY

This is the day for a drive across the Great Divide and on to the Yoho National Park. Towering peaks of Cathedral Mountain and the President Range are memorable sights on the way to Takakkaw or Twelve Hundred Foot Falls. You can watch the white water roar over the wall of the mountain and drop straight down in a twelve-hundred-foot leap while you have your picnic lunch in the picnic grounds near the foot of the falls. Only 30 miles from Baker Creek Bungalows.

FRIDAY

The fisherman of the family must have his day at the junction of Baker Creek and the Bow River, only a stone's throw from camp. Baker Lake, four miles upstream also provides good fishing. Talk to Mr. O. C. Wagner, the Manager, an eager fisherman himself, who will be delighted to advise you on the best spots in the vicinity.

SATURDAY

On a tour of Banff, 28 miles away, with its curio shops, novelty stores, Indian Trading Post, Museum and many other points of interest, you will meet tourists from all parts of the continent. You will see Upper and Lower Hot Springs, the beautiful gardens around the Administration Buildings, Mount Rundle, the Fish Hatcheries where many species of fish are hatched to re-stock mountain streams and lakes. You can go boating, riding, swimming, golfing and dancing, visit Johnson's Canyon, Mount Eisenhower and the chair-lift, which takes you up almost to the peak of Mount Norquay, on the way.

SUNDAY

Make this a welcome day of complete rest and relaxation at Baker Creek Bungalows. Following your late morning breakfast of home-made hot cakes with ham or bacon, just bask in the sunshine and clear, pine scented air... enjoy a delightfully lazy day in the mountains.
